## Cod cold war release date beta xbox

The iconic Black Ops series is back with Call of Duty®: Black Ops Cold War, the direct sequel to the original and fan favorite Call of Duty®: Black Ops. Black Ops Cold War will throw fans into the depths of the volatile geopolitical battle of the early 1980s. Nothing is as it seems in an exciting single-player campaign, where players come face-to-face with historical figures and harsh truths as they fight around the world through landmarks like East Berlin, Vietnam, Turkey, the KGB's Soviet headquarters and more. As elite agents, you'll follow in the trail of a shadowy figure named Perseus who is on a mission to destabilize the global balance of power and change the course of history. Descend to the dark center of this global conspiracy alongside iconic characters Woods, Mason and Hudson and a new cast of agents trying to stop a plot decades in 14. Beyond the campaign, players will bring an arsenal of Cold War weapons and equipment to the next generation of multiplayer and zombie experiences. Welcome to the edge of the abyss. Welcome to Call of Duty®: Black Ops Cold War. Rating Pending May contains inappropriate content for children. Visit ESRB.org for grading information. During the beta, experience black ops combat of traditional 6-on-6 modes, the largest number of 12v12 Combined Weapons players and a new 40-player mode, Fireteam: Dirty Bomb. The beta will feature a selection of the game's multiplayer maps set to during the Cold War. Players can progress and qualify in the beta-specific leveling system, where equipment items, including new weapons, covert spy technology through field upgrades, and scoring streaks, can be unlocked by gaining XP. The Black Ops Cold War Open Beta will be free on all platforms, with digitally pre-ordered players gaining early access. Read on to learn more about preloading, downloading, scheduling, and what's included in the Black Ops Cold War: Open Beta Dates and Times: Time to Play beta there's one more weekend in the Black Ops Cold War beta. It is scheduled to last a total of four days, with a game period scheduled to begin Thursday morning at 10 a.m. PDT and ending Monday morning at 10 a.m. Follow @CallOfDuty and @Treyarch for 'live now' announcements and any schedule updates. Weekend Two: All Platforms (Crossplay) The second beta weekend is available on all three platforms, and is scheduled to run from Thursday, October 15 to Monday, October 19. As a complete connected experience, the crossover will be active, allowing you to party with friends and the community at large, no matter what they play. PlayStation 4: Whether you've digitally pre-ordered the game or not, Weekend 2 is a free open beta for all PlayStation 4 owners. Xbox and PC Early Access: Those who pre-ordered the game digitally for Xbox One, Xbox Series S, Xbox Series X, or pre-purchased for PC through Blizzard Battle.net can start playing the beta on Thursday, October 15, and Friday, October 16. Xbox Live Gold is required for Xbox players and PC players must have a different Battle.net. Xbox and PC Open Beta: The rest of the weekend, from Saturday, October 17 to Monday, October 19, is accessible to Xbox and PC players, regardless of booking status. Now, everyone in the Call of Duty community can go up and play together. What's inside The Call of Duty: Black Ops Cold War Beta beta will feature a mix of maps, modes, and playlists. Like previous betas, the Black Ops Cold War Beta will also include a progression system in which players can earn XP to unlock new content for their gear, including weapons, equipment, slots to create a class, and scoring streaks. Expect frequent updates and some surprises within the beta and stay tuned to the official Call of Duty and Treyarch channels for specific details. Visit the Cold War landing site for detailed information about the game, beta, and specific beta multiplayer information, such as game modes and equipment, an SMG weapon plan for reaching level 10 All players who reach level 10 within the beta will receive an SMG weapon plan at the release of Black Ops Cold War. A Weapon Plane is a variant of an in-game family of weapons, with its own unique name and cosmetic differences. Weapon plans can also come pre-equipped with attachments, allowing you to use them on that specific weapon without having to level up to unlock those attachments These attachments can be exchanged in favor of other attachments obtained by leveling up the weapon normally. Access the beta As mentioned in the calendar, digital booking customers on Xbox and PC will be entitled to early access (Thursday and Friday) through their account where they purchased the game. All other players can still access the open part of the beta (Saturday through Monday) for free. Download the beta from your platform store and follow the prompts to download it. On PC, the Black Ops Cold War beta can be found in Partner Games. Preload information Before the start of this weekend, all players will be able to preload the beta. PlayStation 4: Preload the beta now. Preloading began on October 6 at 8 a.m. PDT. Note: If you're on PlayStation 4 and have preloaded or downloaded the beta during its first weekend, you don't need to download it again during the second weekend. In addition, players can remove the Alpha, as the Beta is a completely different file and requires a new download. Xbox and PC: Preload the beta starting October 13 at 8 .m PDT. Book now at Digital and get early access booking players to get early access to the open beta and receive instant rewards such as the Woods Operator Pack\*\* for immediate use in Modern Warfare® and Warzone™. There are several in-game options available to choose from, including the Standard Edition, Cross-Gen Bundle Edition or Ultimate Edition. All digital editions have early access to this open beta.
